MEMORANDUM TO SUPERINTENDENTS NO. 2012-181

TO: School District Superintendents
Assessment Coordinators
Curriculum Directors

FROM: Sheryl Lain
Instructional Leader

DATE: December 19, 2012

SUBJECT: Common Core Standards Workshop—Teaching and Assessing

IMPORTANT- Time Sensitive – Please Share

A two-day CC workshop on January 29-30 at the Ramkota in Casper features Gavin Payne, a consultant for CCSS, who will facilitate a two-day interactive workshop on implementing the CC. The goal is to ensure there is “common” in the CC as all districts work to communicate, implement and assess the Common Core State Standards.

Please bring a Common Core Implementation Team—up to six people for each district. Also, bring ideas, plans, and questions as we work together.

If you need to bring more than six people, please notify Kathy Shirley at kathy.shirley@wyo.gov. See the attached to register.
